HOSPITAL MEDICINE

Index 2004 Volume 65

A

Abscess or paronychia: early diagnosis. *Corres.* G Griffiths et al 696
Achilles tendon rupture
bilateral concurrent in the absence of risk factors. *Case report.* M Kelly et al 310
bilateral simultaneous spontaneous. *Case report.* A Mehra et al 308
still not fully understood. *Editorial.* NP Cullen and FS Haddad 262
Acne vulgaris: systemic therapy for. *Symposium on clinical pharmacology.* AM Layton 80
Acute abdomen, paediatric. *Paediatric emergencies.* P Hammond and J Curry 686
Acute medicine: making it work for patients. *Education and training update.* C Black 493
Adhesions see Intra-abdominal adhesions
Adrenoleukodystrophy: a trap for the physician. *Case report.* SN Azam et al 502
Aggression and violence in the NHS. *Corres.* S George and K Tansey 312
Agius S *see* Keeling C et al
Airway, upper: obstruction. *Paediatric emergencies.* PB Baines and RE Sarginson 108
Aitken M *see* Malawana J et al
Akber M *see* Buch HN et al
Alchaghouri S. Atrial fibrillation
1: classification and clinical implications. *Review* ...471
2: management. *Review* 546
Alexander S *see* Wallace AL et al
Ali I and Dawber R. Hirsutism: diagnosis and management. *Review* 293
Allergy, latex and otorhinolaryngological surgery. *Review.* I Khodaei and AC Swift 422
Allison MED. Fatty liver. *Review* 609
Alsafadi H, Ansari H, Biggs P and Randeva HS. Unusual site and presentation of a neuroendocrine tumour. *Case report* 564
Alternative medicine: the prince, the professor and the actress. *In the public's view:...* NW Goodman 496
Amin M *see* Witherow H et al
Amlot N *see* O'Shaughnessy D et al
Anaesthesia
association with anaesthesia must be maintained. *Commentaries.* C Heneghan and P Nightingale ...517
from awake and screaming to awake and cooing. *In the public's view:...* NW Goodman 435
to do or defer: a case with adult congenital heart disease. *Anaesthetic & critical care dilemma.* D Walker and F Walker 700
is preoperative pacing for bifascicular and trifascicular heart block necessary? *Anaesthetic & critical care dilemma.* S O'Malley and EMC Ashley 636
laryngeal mask airway use in the prone position. *Anaesthetic & critical care dilemma.* S Usher 252
peripheral vascular surgery: epidurals and clopidogrel. *Anaesthetic & critical care dilemma.* R Self and B Brandner 61
postobstructive pulmonary oedema. *Anaesthetic & critical care dilemma.* J Windsor et al 508
should a fibreoptic bronchoscope be used to conform double lumen tube placement? *Anaesthetic & critical care dilemma.* AP McGlennan and EMC Ashley ..572
what's in a name? *Commentaries.* P Wallace 518
Anaesthetist or intensivist
continued debate. *Corres.* AHD Parry-Jones 631
S Baudouin; S Ridley; M Singer 630
Editorial. AJD Parry-Jones 516
Analgesia: should ketamine be used as a regular analgesic for patients with chronic pain? *Anaesthetic & critical care dilemma.* JP Blackburn 444
Anatomy: future teaching of undergraduates. *Education and training update.* DRC James et al 681
Angiomyxoma, aggressive of vulva. *Case report.* S Baruah et al 248
Ankle sprains: Ottawa rules. *Editorial.* LM Bachmann and G ter Riet 132
Ansari A and Smith MA. Chest wall tuberculosis involving the second rib in a young Ethiopian woman. *Case report* 434
Ansari H *see* Alsafadi H et al
Antenatal diagnosis of fetal heart disease. *Symposium on new developments.* D Roberts and D Kitchiner 396
Antibiotic resistance and nosocomial infections on intensive care. *Anaesthetic & critical care dilemma.* M Terblanche and SJ Brett 216
Antiemetics, prophylactic: should all day-case anaesthesia patients be given them? *Anaesthetic & critical care dilemma.* A Dering and P Dill-Russell 125
Antiplatelet agents in atherothrombotic diseases. *Symposium on clinical pharmacology.* U Rao and C Weston 72
Antipsychotic medication: evidence-based management of schizophrenia. *Symposium on chronic disease management.* M Camprubi and L Dractu 201
Aortic dissection, acute thoracic. *Symposium on cardiology.* S Aziz and DR Ramsdale 136
Appadu B *see* Booth SA et al
Arm
giant lipoma of forearm. *Case report.* JS Huntley and J McEachan 758
swollen and cyanotic: a new cause? *Corres.* AD Tredget and A Mistlin 631
Armour R. Parasites and the eye. *Corres* 241
Armstrong P, Husband JE and Holemans JA. Population screening for lung cancer. *Review* 404
Aromatase inhibitors: time for a change in breast cancer therapy? *Review.* D Cameron 724
Artificial oxygen carriers for trauma: myth or reality? *Developments in cardiovascular medicine.* CF Mackenzie and C Bucci 582
Arya N *see* Shergill NK et al
Ascariasis, biliary. *Images in medicine.* R Ghadimi et al .307
Ascites
cirrhotic: review of management. *Review.* T Sivayokan and JF Dillon 22
resistant: a high price to pay. *Corres.* PL Youd et al ..440
Ashley EMC *see* McGlennan AP and –; O'Malley S and –
Ashwood N *see* Wardle N et al
Athanasiou T *see* James DRC et al; Purkayastha S et al
Atherothrombosis
antiplatelet agents in atherothrombotic diseases. *Symposium on clinical pharmacology.* U Rao and C Weston 72
long-term management. *Symposium on chronic disease management.* KAA Fox 206
Atrial fibrillation
1: classification and clinical implications. *Review.* S Alchaghouri 471
2: management. *Review.* S Alchaghouri 546
Atrial myxoma
cardiocutaneous syndrome. *Case report.* S Conroy et al 56
diagnosis and management. *Editorial.* S Banerjee 6
vascular left causing obstructive symptoms. *Case report.* R Butler et al 53
Aust TR and Lewis-Jones DI. Retrograde ejaculation and male infertility. *Review* 361
Autistic disorders spectrum. *Review.* L Wing 542
Au-Yeung KM *see* Chan KH et al
Axillary vein compression, swollen and cyanotic arm: a new cause? *Corres.* AD Tredget and A Mistlin 631
Ayers H *see* Vickers D et al
Azam SN, Beadsworth MBJ, Jenkins NE, Beeching NJ, Evans J and Nye FJ. Adrenoleukodystrophy: a trap for the physician. *Case report* 502
